Activities taken up during the year, 2022-23

**SKILL DEVELOPMENT AND LIVELIHOOD PROGRAMME FOR MARGINALISED & MINORITY WOMEN AND YOUTHS:
LIVESTOCK FARMING (POULTRY, DUCKERY, PIGGERY & DAIRYING):**

FORD has been running poultry, duckery, dairy and piggery farming for the last some years in order to encourage self-employment opportunities among the women including minority women and unemployed youths in rural areas of Thoubal, Tengnoupal & Imphal East District, Manipur for having their means of livelihood. On the other hand, it has a major role to play in increasing the revenue and fund of the organisation. From time to time, orientation training programme in this field has also been imparted in consultation with KVKs, Agriculture & Animal Husbandry Department, Government of Manipur and Central Agriculture University, ICAR Lamphelpat etc for good production and successful venture.

AGRICULTURE & HORTICULTURE DEVELOPMENT PROGRAMME:

Food security is the prime concern of human beings. As the cultivated land has become minimized day by day in the name of development and as a result of fast growing population. The food production of the State has also been decreasing day by day. In view of this, the FORD has started taking up a programme on Agri & Horticulture Development Programme by distributing Seeds of Mustard, seeds of Peas to the marginal farmers of Manipur for the increase of their income. Beside this, the organization has started a new venture for the plantation of vegetables like cabbage, Brinjal, Bananas, Turmeric and Ginger in large scale to increase the income of the organisation and the farmers as

Well.

Activities taken up during the year, 2022-23

ROAD SAFETY AWARENESS PROGRAMME:

Road Safety is of prime importance of everyone. Road accidents are among the biggest cause of death in the country. With the number of vehicles increasing on our road with every passing hour, it is of vital importance for everyone to have traffic awareness and understand and follow all the traffic and road safety rules. In view of the incidents, the Foundation of Rural Development (FORD) organized one day Road Safety Awareness Programme for the Youth Leaders of Thoubal District on 11th November, 2022 at the office campus of the organization in association with District Transport Office, Thoubal. The main objective of the training programme is to reduce the number of death due to accident by following the traffic rules strictly.

AWARENESS ON ROLE & IMPORTANCE OF COMMUNITY RADIO IN SOCIAL DEVELOPMENT SECTOR:

Community Radio has been taking a major role to move our country forward by disseminating the new and upto date informations to the rural and remote population in India. It has become a powerful medium for social mobilization in order to promote socio-economic and cultural development of communities. In view of this, the organization organized one day's awareness programme on the Roles & Importance of Community Radio in Social Development Sector on 13th March 2023 at its training hall for the rural populations.

MUSHROOM CULTIVATION/ PROCESSING UNIT FOR YOUTHS:

Skill Development among the rural populace is the main thrust area of India for solving the unemployment problem in India.
